Table by
PIERRE HERMÉ

Welcome to Table by Pierre Hermé, the first restaurant in Southeast Asia by the world-renowned Picasso of Pastry, nestled within the iconic Resorts World Sentosa.

Here, the spirit of indulgence "à la française" meets inventive cuisine in a refined and generous offering from delicate breakfast rituals to elegant savoury dishes and creative tea time.

Our menu invites you to explore the signature creations of Pierre Hermé from the legendary Ispahan, Infiniment Vanille, and Mogador, to exclusive creations imagined just for Singapore alongside a thoughtful selection of viennoiseries, savoury plates, frost and toast brioches, and plated desserts.

Whether you join us for a leisurely breakfast, a Parisian-style lunch, or a refined afternoon tea, Table offers a singular experience where creativity, savoir-faire, and pleasure come together in every bite.

Table is an ode to taste, detail, and distinction as only Pierre Hermé can express.
