

OUR STORY

At QUAN Hotpot, a heartening pot becomes a place of gathering.

Inspired by the timeless Chinese hot pot tradition, we celebrate the joy of coming and dining together.

Each broth and dish is crafted with culinary heritage and reimagined for the modern palate; guided by the Chinese Five Elements of flavour – sour, sweet, bitter, spicy and salty - creating balance and harmony.

We work closely with local Singapore farms and fisheries, sourcing responsibly grown vegetables, sustainably harvested seafood, and locally cultivated mushrooms according to seasonality.

Carefully prepared broths form the heart of the experience, complemented by premium meats, fresh seafood, and seasonal produce. Complete your meal with house made condiments, charcoal grilled selections from the Josper Grill, and comforting noodles or rice.

Simplicity, patience, and harmony guide every pot we serve - creating comforting food that nourish; shared moments that stay.

Heartwarmingly casual yet tastefully refined - indulge in a hot pot made for meaningful gatherings in the heart of Resorts World Sentosa.
