CHIFA!

CHIFA! THE STORY

Welcome to Singapore's first **CHIFA** restaurant! Explore the vibrancy of "CHIFA" cuisine specially curated where traditional Peruvian gourmet elements meet Chinese epicurean influences.

Drawing inspiration from cultural expression of Chinese Cantonese and traditional Peruvian elements, step foot into the restaurant and be greeted by the distinctive Chinese architectural features and colourful décor that showcases backdrops of the iconic Peru rainbow mountain and vibrant artisanal textiles.

Origin of CHIFA Cuisine

The name, **CHIFA**, was given by the Peruvians. During lunch time they listened to Chinese people use the words **Chi = Eat and Fan = Rice**.

The first generation of Chinese immigrants arrived in Peru around 1850 and created **CHIFA** food, a mix of Cantonese flavours fused with Peruvian ingredients. The cuisine then gain popularity and became recognized that many Chinese restaurants started to open in Peru.
