Nation's First Integrated Resort Rejoices With Singapore

SINGAPORE, 3 August 2012 – This National Day, Resorts World Sentosa (RWS) will celebrate Singapore's 47th year of independence with great fanfare. Making this truly a celebration for all locals on 9th August 2012, RWS will offer a special S\$47 one-day admission (usual price: S\$73) to **BOTH** Universal Studios Singapore **AND** the Maritime Experiential Museum.

This special twin-attraction ticket can only be purchased on National Day at Universal Studios Singapore's ticket booths. Singaporeans and PRs need only to produce their local pink or blue NRICs to enjoy this offer.

Mr. Edward Goh, RWS' Senior Vice President of Group Sales & Marketing said, "As Singapore's first integrated resort and a leader in Singapore's tourism growth, Resorts World Sentosa is proud to invite all Singaporeans to join us in celebrating the 47th birthday of the beloved island nation that we call home."

In addition to the offer, the theme park will also be holding its famed *Hollywood Dreams Parade* at 6pm where guests celebrate the movies they love as the streets in Universal Studios Singapore come alive in this colourful display. The festivities continue even after park hours as guests stay on to rock the evening away with a special-edition ***Hollywood After Party***, from 7pm to 11pm.

Highlights of the party include 'live' music performances by home-grown band *Today's Special*, all-you-can-eat/drink packages in Hollywood zone, as well as a National Day fireworks display to commemorate the Nation's birthday taking place at 9.30pm at Lake Hollywood. The National Day Parade will also be broadcast 'live' at the party. Tickets for *Hollywood After Party* can also be separately purchased at S\$20 (inclusive of a complimentary drink) at the ticketing booths of Universal Studios Singapore.

Over at the Maritime Experiential Museum, guests will be able to immerse themselves into its latest exhibition – *Pirates of the East*, which chronicles the trials and tribulations of pirate-hunters in the waters of Asia.

For one night only, resort guests will also get the chance to indulge in the culinary wonders of Joël Robuchon, the world's most decorated chef with 26 Michelin stars to his name, with a local twist. On National Day, *L'Atelier de Joël Robuchon* will feature a special three-course dinner, with its signature French haute cuisine, and special creations infused with local flavours.

Inspired by local ingredients and culture, some of these special dishes include *Langoustines in 'Chilli Crab' style*, *Lobster in classic 'Bisque' with Laksa flavour*, and *'Chicken Rice' style Chicken legs with Foie Gras and Cognac*. This special National Day menu is available at S\$240++ per person and reservations can be made at +65 6577 7888 or via e-mail robuchon@rwsentosa.com.

Singapore's first integrated resort will also be ushering in National Day with an explosive National Day Eve party at The Coliseum, Hard Rock Hotel Singapore with the boys of Far East Movement. Featuring local DJ Inquisitive and also special international guest DJ Wendi Cakes, guests will be sure to party hard "like a G6" on 8th August, starting from 8pm. Tickets are priced at S\$78 (excluding SISTIC booking fee), and are available through all SISTIC channels.

For a touch of magic, world renowned magician Lu Chen will *dazzle* with his performance on 11th August, at the Compass Ballroom. Lu is immensely popular with the global magic community, and many internationally acclaimed magicians have expressed interest in obtaining the rights to perform Lu's creations in their own routines. The charismatic performer's refreshing and creative repertoires complement his unique and stylistic flare, and his acts have been showered with glowing reviews. Tickets for both matinee and evening performances are now available on RWS and SISTIC channels.
