Usher In Chinese New Year 2020 at Universal Studios Singapore

Get the Lunar New Year off to a rousing start with an entertaining line-up of joyous and auspicious activities at Universal Studios Singapore. Follow **The Auspicious Dragon Trail** as it makes its way around the park accompanied by up-tempo drum beats. Favourite characters from each themed zone will be dressed in festive outfits, ushering in the Year of the Rat in a most fun and delightful way that will endear all in the family. This yearly extravaganza is a must-watch for fans of the different iconic movie franchises featured across the award-winning theme park.

Illumination's Minions are ready to join guests in celebrating the festivities, too, as Bob shows off his all-new and specially designed rat costume, which will be available for all to see exclusively during this event period. For fans of the iconic and mischievous Minions, this is a rare photo opportunity not to be missed.

In addition to the special programming during this season, guests can also enjoy adrenaline-filled rides, world-class entertainment and performances, and a delectable range of food and beverage offerings all across Universal Studios Singapore. During this period, guests who spend a minimum of S\$35 in a single receipt at retail outlets will receive a pair of limited-edition Sesame Street Chinese New Year-themed couplets. Those who purchase their admission tickets online will receive Minion-themed couplets. Annual and Season Passholders can join in on the festivities by redeeming their Minion couplets at the Membership Lounge.

A World of Underwater Treasures Await at Abundance In The Sea

At S.E.A. Aquarium, visitors will discover a colourful world of **Abundance In The Sea** and meet eight iconic marine animals commonly associated with wealth, prosperity or even customary Lunar New Year must-haves. Among them are the mouse grouper with its beautifully striking black spots – named due to its resemblance to the mouse—and the yellow hued pineapple fish, symbolic of wealth because of its pineapple-like appearance. As visitors marvel at these ornately-patterned dwellers of the marine world, the festive décor and displays throughout the aquarium will provide countless Insta-worthy opportunities.

The highlight of the event and a perennial favourite every Lunar New Year, the auspicious **Underwater Dragon Dance** returns to delight guests with its graceful and fluid movements. Joined by 40,000 marine inhabitants in the Open Ocean Habitat, this one-of-a-kind performance will leave onlookers spellbound and in awe.

All guests to the aquarium during the festive event will receive a pair of limited edition S.E.A. Aquarium-themed New Year couplets as a festive keepsake (while stocks last). Additional information on the event can be found at <https://www.rwsentosa.com/seaa-cny>
