#### **A New Dining Adventure Staged with Technical Effects**

Set in Universal Studios Singapore's Discovery Food Court, *Jurassic World Dominion Dining Adventure* took inspiration from the blockbuster *Jurassic World* franchise to create an immersive environment where dinosaurs live alongside humans in a precarious balance of power. Orchestrating the entire 2.5 hours dining adventure will be a superb combination of technical effects, captivating storytelling, and life-size dinosaur appearances.

### **A Feast of Jurassic Proportions Awaits**

Guests can expect an engaging and suspenseful experience during dinner – from the delicious dishes to the exciting activities taking place around them. The four-course dinner\* will be themed around the diets of the dinosaurs from *Jurassic World Dominion*. It includes fall-off-the-bone BBQ pork ribs and succulent beef skewers that will bring joy to all meat lovers as well as a visually stunning amber dessert made of lemongrass osmanthus jelly. As each course is served, dramatic lighting, projection and music will accompany it, setting the mood to evoke amazement and wonder. Guests should also keep their eyes open and ears peeled for unexpected dinosaur encounters!

### **Prehistoric Meet-and-Greets**
