SINGAPORE, 11 April 2023 – A celebration of colour kick-starts the Spring season at Universal Studios Singapore. From 7 April to 21 May 2023, guests can experience a line-up of bright and bold new offerings at the theme park's Colour Pop! event.

The perfect shot can be captured on Hollywood Boulevard with colourful and interactive photo stations featuring Sesame Street, DreamWorks' Trolls, and more. Guests can also head to the Hollywood Lagoon Stage where favourite characters are ready to take fun snapshots.

At the end of the day, guests can experience an all-new show, The Rainbow Reunion, where the Creator of Colour herself, Colourrissa, gathers all her friends to help create her biggest rainbow yet. The gang from Sesame Street and Trolls join in the fun, each bringing their own unique colour to fill Colourrissa's magical rainbow at New York Public Library.

Guests aspiring to be the next fashionista can get dressed in their brightest colours and stand a chance to be spotted by Colourrissa to win a surprise.

Face painting will be available (at a separate charge) and street art drawings as well as free giveaways will surprise and delight. Guests can also stand to win attractive prizes at the game booths at Hollywood Lagoon and indulge in a feast for the senses with an array of colourful and delicious treats. In addition, guests can continue to enjoy their favourite rides and attractions in the theme park.

The Colour Pop! event is included with regular admission to Universal Studios Singapore.
