SINGAPORE, 8 July 2024 – S.E.A. Aquarium (S.E.A. 海洋馆) at Resorts World Sentosa (RWS, 圣淘沙名胜世界) has partnered with Genshin Impact, one of the most popular video games in the world. This is the first-ever partnership between Genshin Impact and an aquarium, featuring an exclusive, one-of-a-kind event, the **Teyvat SEA Exploration** (提瓦特-深海的探访), that will take place from **12 September to 28 October**. The experience will feature a beloved and newly launched Genshin Impact character, Sigewinne, who hails from the underwater in-game area of the Fontaine region in Teyvat. This collaboration will blend the magic of Genshin Impact's fantastical underwater region with the beauty of marine life at S.E.A. Aquarium, while raising awareness on marine biodiversity and highlighting the importance of ocean conservation.

The experience includes one-day access to S.E.A. Aquarium, an interactive stamp rally with a collectible stamp rally passport, photo opportunities enhanced with Genshin Impact game elements, special guest cosplayer appearances on select days, and more.

Through this collaboration, S.E.A. Aquarium aims to foster a love for marine animals among Genshin Impact fans and promote an understanding of marine conservation, while bringing to life one of Teyvat's amazing regions.

More information on Teyvat SEA Exploration will be disseminated closer to the launch date.

Teyvat SEA Exploration is open to the public from 12 September to 28 October. Prices can be found in the appendix, and more information can be found at: www.rwsentosa.com/SEAA-GenshinImpact.
