**SINGAPORE, 13 August 2024** – Southeast Asia’s biggest Halloween event is back for its 12<sup>th</sup> edition, promising nightmare-inducing thrills across 18 nights of terror. From **27 September to 2 November 2024**, Universal Studios Singapore Halloween Horror Nights 12 will feature four all-new immersive haunted houses, three terrifying scare zones, and three hair-raising shows. With the theme of dark dreams, the event will transport guests to a realm where dreams and nightmares co-exist, blurring the lines between reality and imagination.

This year, Halloween Horror Nights 12 will debut two brand new experiences – a spine-chilling projection mapping show featuring the phantoms of Asian folklore and a blood-curdling speakeasy experience that will tantalise the senses. With dark dreams taking over, fans can expect scares like no other.

## Four Terrifying Haunted Houses

Asian horror takes centre stage, with three other haunted houses in addition to the previously announced **Netflix's Sweet Home** haunted house:

- **Singapore's Most Haunted: The Killings** recreates the horrors of one of Singapore's most haunted houses. Past the eerie stone lions, cursed tales await – along with the restless spirits of the countless victims and the malicious souls that killed them. Singapore's Most Haunted: The Killings haunted house is brought to you by Official Event Partner, Sprite.
- **Cursed Scrolls: Dynasty of Darkness** is an immersive three-dimensional experience filled with the evil entities of the ancient scrolls that have been conjured by The Scrollmaster, a possessed Qing Dynasty scholar.

**Fans should stay tuned for the reveal of the fourth and final haunted house, coming soon.**

### Three Sinister Scare Zones

As guests venture into the night, they should beware of more terror lurking around every corner:

- **Vampire Alley** could turn guests into the next blood-sucking member of the living dead as they dodge vampires that lurk in the shadows, awaiting their next prey.
- **The Lost Kampung** and its vengeful spirits and cursed items spell a chilling fate for trespassers.
- **Nether-Land** is a party unlike any other – a rave with the undead who are hypnotised by voodoo vibes and beats that are to die for. The Nether-Land party zone is brought to you by Official Event Partner, Tiger Soju Infused Lager. Guests can also head to the Tiger® Twisted Bar for refreshing beverages and Twisted prizes to fuel their night of partying.

### Three Live Shows

The nightmare continues with ghastly shows:

- **Night Terrors (New)** transforms a fortress into a haunted haven for the phantoms of Asian folklore. The debut of the projection mapping show at Universal Studios Singapore is a spectacle of lights, sound effects, and more.
- **Dark Dreams** tells the twisted story of the Dream Reaper, who feeds off the nightmares of innocent people to steal their souls. With Dark Dreams, Pantages Theatre brings back its annual Halloween Horror Nights show, boasting elaborate sets and spine-chilling special effects.
- **Ocu.lar's Rave** is a dance alongside the undead to hypnotic music and visuals, reaching a fever pitch with giant puppets, ravers, and more.

### All-new Immersive Speakeasy

**Viper Lounge (New)** is a lavish speakeasy bar owned by a vampiric clan known as The Elders. Should guests be so lucky to find this hidden location, they can indulge in a range of deliciously devilish canapés and drinks while trouble unfolds around them. The immersive bar experience, which includes an alcoholic or non-alcoholic drink and two canapé items, has an add-on price of S\$25 for guests on the R.I.P. Tour and S\$35 for regular guests. Paid admission to Universal Studios Singapore Halloween Horror Nights is required.
