**SINGAPORE, 27 August 2024** – In the first collaboration of its kind, Resorts World Sentosa has partnered with Team Wang design – the luxury streetwear label founded by pop star Jackson Wang – to create a haunted house which weaves its brand aesthetics into a chilling horror narrative at Universal Studios Singapore Halloween Horror Nights 12. Called Under the Castle, the haunted house will feature popular characters Pumpkie and Spookie from Team Wang design SPARKLES, but with a dark twist.

Team Wang design counts Jackson Wang as its Creative Director and Designer, and Henry Cheung as co-founder and Chief Executive Officer. Jackson Wang and Henry Cheung were both included in Forbes China 30 Under 30 list for 2023. Building on the success of Team Wang design’s concept space in Shanghai, China last year, which featured a specially designed castle, Halloween carnival, and night parade, Universal Studios Singapore Halloween Horror Nights and Team Wang design have come together to create a horror experience like no other.

As guests venture into the Under the Castle haunted house, they will uncover the sinister secrets of the cursed castle, which lures its victims with a ghostly green glow each year on Halloween night. Guests brave enough to face the evil within will find out if they can escape the terror or be trapped

Under the Castle forever. Amidst the screams, fans of Jackson Wang should also keep their eyes peeled for easter eggs including iconic looks from his Magic Man album.

“We are beyond excited to collaborate with Universal Studios Singapore on this project. Their Halloween event has been a powerhouse for more than a decade, setting the gold standard for fear and fun. For Under the Castle to be a part of this legendary celebration is truly an honour, and we feel incredibly fortunate to bring our vision to life in such a prestigious setting,” said Henry Cheung, co-founder and Chief Executive Officer of Team Wang design.

“Collaborating with Team Wang design for Halloween Horror Nights 12 is an electrifying fusion of creativity and terror,” said Markham Gannon, Director of Entertainment, Resorts World Sentosa. “With Universal Studios Singapore’s expertise in producing Southeast Asia’s biggest Halloween event for over a decade and Team Wang design’s flair for contemporary and creative designs, Under the Castle promises to transport fans into the darkest realms of their nightmares.”

Fans can look out for more exciting collaborations between Resorts World Sentosa and Team Wang design, including events and merchandise, in September and October.
