SINGAPORE, 12 February 2025 – Resorts World Sentosa (RWS) and Universal Studios Singapore made history today with the 'Largest Minion Walk in Singapore', being officially recognised by the Singapore Book of Records. In an impressive feat, 1,078 RWS staff rallied together with 24 Minions, including fan favourites Bob, Stuart, and Kevin, as they marched towards Illumination's Minion Land in Universal Studios Singapore. Mr Tan Hee Teck, Chief Executive Officer of RWS, was among the participants in this landmark event.

The record-breaking walk marked a memorable moment as staff in yellow Minion T-shirts followed their beloved Minions to Minion Land. In a symbolic gesture of prosperity and good luck, Ms Lee Shi Ruh, President of RWS, rolled a pineapple into Minion Land, marking an auspicious beginning for the land's upcoming opening on 14 February.

The Largest Minion Walk in Singapore was a joyful celebration right from the beginning, as RWS staff interacted with the Minions, creating memorable moments that captured their mischievousness.

The highly anticipated Illumination's Minion Land will transport guests into Illumination's beloved *Despicable Me* and *Minions* franchises, and feature an array of immersive rides, exciting shows, unique dining, and exclusive experiences – the Buggie Boogie carousel, the first ever Minion dance party-themed carousel and the Super Hungry Food Stand, the all-new, larger-than-film version of the waterfront snack stand from *Despicable Me*. Fans can also look forward to exclusive and limited-edition merchandise at Minion Marketplace that will include three distinct and immersive retail environments.
