SINGAPORE, 8 October 2026 – Resorts World Sentosa (RWS, 圣淘沙名胜世界) today unveiled **Season of Joy**, a resort-wide Christmas celebration from **27 November 2026 to 3 January 2027**.

This Christmas, RWS brings a contemporary Korean pulse to the festivities, drawing on the colour, creativity, music and popular culture that have made K-wave a global phenomenon. Across the resort, K-wave-inspired experiences come together with familiar Christmas traditions, creating more ways for families, friends and loved ones to gather and celebrate from day into night.

Guests can celebrate at **Glowcean Wonderland** in Singapore Oceanarium, step into **A Universal Christmas** at Universal Studios Singapore, turn up the K-pop beats at Adventure Cove Waterpark, enjoy festive installations and performances at WEAVE, and round out their visit with seasonal dining, gifting and festive stays across RWS.

More experiences celebrating the energy of Korean popular culture will be unveiled as the season unfolds.

“Season of Joy brings the whole resort together for Christmas, with different experiences unfolding from day into night. This year, Korean influences bring a fresh contemporary energy through music, entertainment and culture, while keeping the warmth and traditions of Christmas at its heart. There will be many ways for families and friends to come together and celebrate, with more surprises to be revealed as the season unfolds at Resorts World Sentosa,” said **Ms Lena Lee, Executive Vice President, Attractions & Destination Experience, Resorts World Sentosa**.

Seven colours. Thousands of wishes. One Christmas together.

At the heart of Season of Joy is **Colours of our Wishes**, a new festive experience where individual colours and wishes come together to create something extraordinary. Guests can choose from seven coloured ribbons, each representing **Love, Joy, Hope, Resilience, Dreams, Togetherness or New Beginnings**. Choose a colour, write a wish and add the ribbon to the festive installation, and watch as thousands of wishes gradually transform the festive installation into a collective Christmas creation.

What will our wishes reveal?

Guests can also take a little piece of Season of Joy home. With a minimum spend of S\$88 in up to two same-day receipts at WEAVE, they will receive a **Gori-knot keychain in one of seven colours**, a festive keepsake inspired by the seven colours of **Colours of our Wishes**.

Leave a wish. Take home a little joy.

A shimmering eight-metre Christmas tree anchors the celebrations, surrounded by Season of Joy installations across the precinct. At WEAVE, the stage comes alive with pop performances, weekend jazz, Christmas carols, balloon sculpting and family entertainment. Santa will also take up residence at the Holiday Audio Lounge, a playful festive living-room setting for meet-and-greets in the lead-up to Christmas.

Across the resort, Season of Joy brings together a series of vibrant festive installations, including a towering gift-box adorned with radiant baubles at Grand Avenue, creating colourful backdrops for festive gatherings and photo moments.

Celebrate at Glowcean Wonderland

At **Singapore Oceanarium**, **Glowcean Wonderland** draws inspiration from the natural luminescence of marine life. Twinkling lights, ornaments and Christmas trees are reimagined through the colours and glow of bioluminescent and fluorescent sea animals.

Guests can join Manja the Manta Ray on **The Glowcean Journey**, uncovering clues and collecting stamps as they encounter sea jellies, corals, sea stars and other marine life. The trail culminates at the **Heart of the Glowcean**, where a glowing Christmas tree comes to life, adorned with the marine animals discovered throughout the journey.

As evening falls, guests can dance among the marine life at a **K-Pop-themed Silent Disco**, with curated playlists and Korean-inspired bites adding lively after-dark festivities to the celebrations. Marine magic meets festive wonder through a lineup of other seasonal experiences, from an underwater Santa dive and festive themed dive feeds to interactive photo moments adding a playful sense of discovery this festive season. The Silent Disco is a ticketed experience available on selected nights.

A Universal Christmas returns to Universal Studios Singapore, transforming areas of the theme park into a festive wonderland filled with larger-than-life sweet treats, an all-new high-energy musical show and meet-and-greets with fan-favourite characters, immersing guests in festive cheer, music and merriment.

Hollywood Boulevard sets the stage for **Dazzling Dessert Studios**, a whimsical film set adorned with oversized desserts and a towering 10-metre-tall Confectionery Christmas tree. Within this playful, candy-themed setting, guests can meet Santa Claus, Mrs Claus, and a cast of Santa's sweetest stars. Sanrio's Hello Kitty and Kuromi will also twirl down the street for special meet-and-greet appearances and picture-perfect moments. Only at Superstar Boutique.

Over in New York, **The North Pole Jingle Jam** celebrates the gift of music with an all-new musical spectacular and immersive concert-inspired sets that let guests step into the spotlight and share a joyful moment of musical stardom. The festivities come alive at the *Universal Jingle Jam*, a high-energy sing-along extravaganza starring Poppy from DreamWorks Animation's *Trolls*, Sesame Street friends, and Illumination's Minions alongside festive singing sensations. Guests are invited to sing, clap and dance along while snowfall moments and character meet-and-greets keep the celebrations in full swing.

Turn up the K-pop beats at Adventure Cove Waterpark

Adventure Cove Waterpark turns up the volume with **K-Wave Christmas**, a high-energy programme combining K-pop music with festive fun.

At BluWater Bay, the waterpark's resident DJ will spin K-Pop favourites and Christmas hits as guests enjoy selected themed activities by the pool. Korean-inspired refreshments and festive menu items will round out the experience for families and friends looking for a different way to celebrate the year-end.
