**SINGAPORE, 26 May 2026** – As the Dragon Boat Festival approaches, rice dumplings continue to evolve beyond tradition, with chefs reinterpreting the classic delicacy using modern techniques and premium ingredients. At the forefront of this evolution, Resorts World Sentosa’s (RWS, 圣淘沙名胜世界) acclaimed Cantonese restaurant Feng Shui Inn (风水廷精品粤菜馆) unveils a curated collection of handcrafted dumplings that balance contemporary finesse with the depth of Cantonese culinary heritage.

Crafted with a harmonious blend of premium ingredients, wholesome grains and naturally sweet elements from purple potato and osmanthus to eight-head abalone and fish maw, each dumpling unveils layered flavours and textures that deepen with every bite.

Available until 19 June, Feng Shui Inn’s festive rice dumpling set features six dumplings, in three distinct flavours, each meticulously crafted using traditional techniques and elevated with contemporary culinary touches.
