**SAP Business Network
Supplier Self-Downgrade Feature**

Supplier Self-Downgrade Feature

- All SAP Business Network Suppliers can now initiate to downgrade to Standard Account from Enterprise Account.

- This Self-Downgrade feature is the same as creating a "Service Request" or via an email to ariba-apj_MH@sap.com.

- The difference is this feature gives faster feedback on vendor's capability to be a Standard Account and immediate results should the account pass all criteria.

- This feature enables Supplier to be downgraded seamlessly once all downgrade criterias have been met.
