Kopi Tarik Original

Our signature take on Singapore's beloved "pulled coffee." Boldly brewed local coffee is blended with creamy evaporated and condensed milk, then masterfully "tarik-ed" — or pulled — to create a luxuriously smooth and frothy finish. A comforting classic with an irresistible aroma.

Kopi Tarik Hazelnut

A rich, nutty infusion of tradition and elegance. This elevated version of the local favorite is infused with the warm notes of roasted hazelnut, adding depth and a whisper of sweetness to the velvety kopi tarik base. A perfect harmony of East meets West.

Kopi Tarik Vanilla

Smooth, fragrant, and indulgently mellow. Our kopi tarik is gently enhanced with a touch of Madagascar vanilla, lending a soft floral sweetness that rounds out the robust coffee beautifully. A luxurious twist on a familiar classic.

Bubur Cha Cha Milk Tea

Inspired by the iconic "Peranakan dessert", this unique milk tea blends fragrant black tea with coconut milk and subtle sweet potato and yam notes, capturing the essence of bubur cha cha in a warm, creamy cup.
