# SINGAPORE OCEANARIUM

## Did You Know?

Learn More

### CHILDREN'S BIODIVERSITY LIBRARY

We committed \$1 million to build the Children's Biodiversity Library by Singapore Oceanarium, the nation's first marine biodiversity-themed library.

Step inside and let curiosity lead the way. Explore vibrant marine life through interactive exhibits, and roll up your sleeves for hands-on workshops that make learning an adventure!

Location: Central Library, 100 Victoria Street

## Must Try

### EXPAND YOUR HORIZONS

Learn More >

**Immersive Programmes**  
Uncover wonders of the ocean through our diverse experiences and activities.

Learn More >

**School Programmes**  
Immerse students in marine biodiversity and conservation through hands-on learning.

Learn More >

**Dive Programmes**  
Create unforgettable underwater moments, from first-time experiences to shark encounters.

Learn More >

**Docent Programme**  
Become a marine conservation ambassador! Inspire guests while making a difference.

Learn More >

**Ocean Advocates**  
Take action against marine debris by joining our beach, mangrove, kayak, and dive cleanups.

Learn More >

**Citizen Science**  
Be a part of intertidal surveys and help shape Singapore's long-term biodiversity story.

## WEAVE

## Did You Know?

## KEEPING COOL

Feeling the Singapore sun? Step into WEAVE and feel the difference! Our giant high-volume low-speed (HVLS) fans create a refreshing breeze while our jet fans will blow you away. Overhead, a special ETFE\* roof blocks most of the heat, while lush greenery makes you feel refreshed.

## Can You Spot Them?

Hint: You'll find our ETFE roofs all around you!

## Must Try

## ONLY AT WEAVE

Where indulgence takes centre stage

Pierre Hermé

Moutarde

Sundaie Royale

FEAST at WEAVE

\* An ETFE (Ethylene Tetrafluoroethylene) roof is a lightweight, durable alternative to glass. It allows natural light while blocking UV rays to reduce solar heat gain while providing rain protection.

# GRAND STEPS

## Did You Know?

### SUSTAINABLE SOURCING

We prioritise sourcing from local businesses and suppliers who adhere to ethical practices.

Over **80%** of our purchasing portfolio is sourced from local companies

More than **95%** of our eggs are local

More than **60%** of our seafood is sustainably sourced\*

Over **45** Tonnes of our foods are locally sourced

Since 2022, we have received the highest tier designation from the Singapore Food Agency's Farm-to-Table Recognition Programme for our commitment to sourcing local products.

## Must Try

### OUR SPECIALTY RESTAURANTS

**Moutarde**  
Unwind with casual and modern French cuisine.

**CHIFA!**  
Amaze your palate with Peruvian-Chinese cuisine.

**Ocean Restaurant**  
Experience an underwater dining experience.

**Syun**  
Savour seasonal omakase and sushi menus.

**Soi Social**  
Tuck into the flavours of contemporary Thai cuisine.

**KA-MON**  
Taste Japan's iconic grilling techniques.

**Horatio**  
Sip, savor, and discover something new.

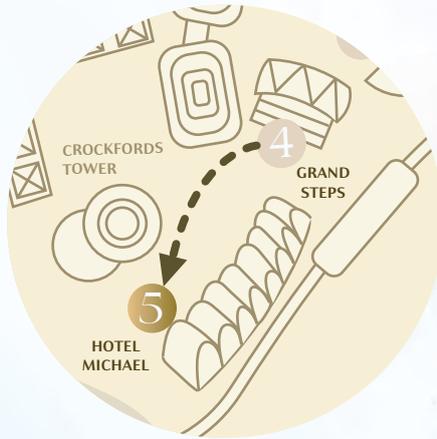

**Laurus Table**  
Taste the elegance of Italy's Amalfi Coast.

\* Sustainably sourced seafood includes certified options such as MSC, ASC, and GlobalGAP. For uncertified seafood, publicly available information on their origin is reviewed to assess sustainability.

## HOTEL ORA

## Did You Know?

## THE ORA COLLECTIVE

At Hotel Ora, we create space for stories that matter. Our retail shelf is dedicated to retailing handcrafted goods by local artisans with disabilities. All proceeds go directly to the artists.

Support their craft. Speak to our staff to bring home something made with heart.

## Sustainability in Every Detail

## FSC-Certified Paper

Over 90% of our paper products are FSC-certified in support of sustainable forest management.

## Water Carafes

Say no to plastic waste with our refillable carafes. Guests can refill their bottles at convenient water dispensers.

## Soap Dispensers

We have transitioned to refillable bulk dispenser bottles to reduce waste.

## Did You Know?

### SUSTAINABLE EVENTS

**Sustainable Serveware**  
From reusable chinaware to recyclable, biodegradable foodware, we reduce waste and minimise our impact.

**Supporting Local**  
We prioritise locally sourced ingredients, like mushrooms, vegetables, and eggs, to contribute back to our local economy.

**Waste Reduction**  
We recycle 10 distinct waste streams and aim to halve our operational waste-to-landfill intensity by 2030, compared to 2015.

**Impact Report**  
Want to know the impact of your event? Just ask and we'll customise an impact report for you!

## Beyond the Ordinary

# THE LAURUS

Wander through meticulously curated spaces featuring handpicked works by two ART:DIS artists, celebrating the talent of local artists with disabilities and transforming each space into a vibrant expression of Singapore's heritage.

## Did You Know?

# LAURUS TABLE

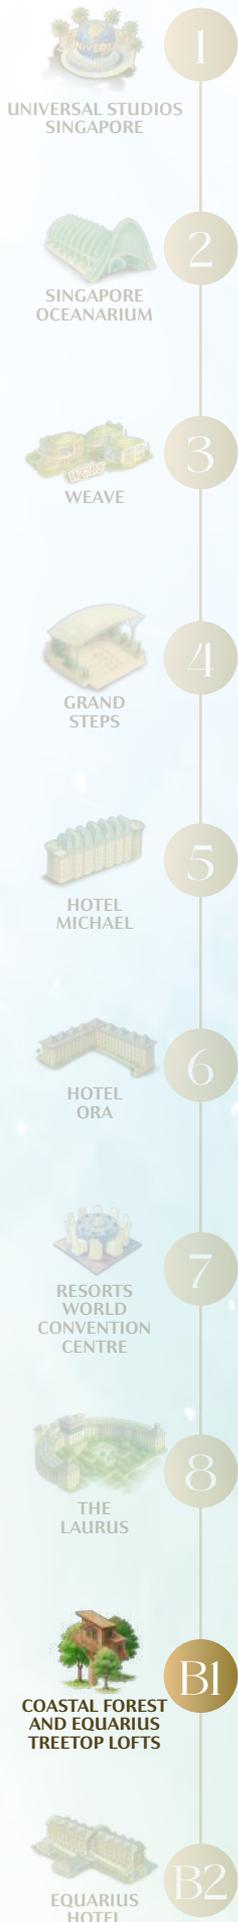

Laurus Table, helmed by Michelin-starred Italian Chef and Netflix star Fabrizio Ferrari, champions sustainable gastronomy. Inspired by Italy's Amalfi Coast, the menu features fresh seafood from Singapore's local fish farms paired with organic regional produce and herbs handpicked daily from our garden.

## The Laurus Herb Garden

Our herb garden grows 18 varieties of herbs in wooden planters. These herbs bring freshness, sustainability, and culinary excellence to Laurus Table.

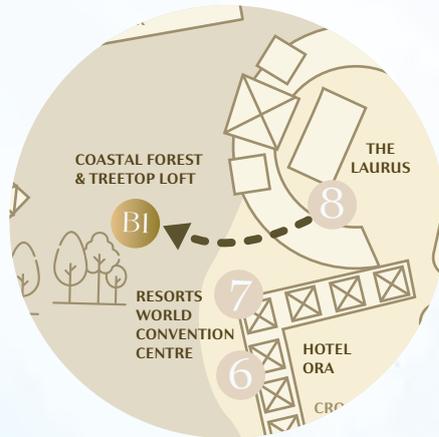

## START YOUR JOURNEY HERE

## Bonus 1

## COASTAL FOREST &amp; EQUARIUS TREETOP LOFTS

Take a short walk to Equarius TreeTop Lofts, a secluded retreat at the edge of our 2.9 hectare coastal forest. We regularly monitor its ecological health through biodiversity surveys. As you enjoy the view, see if you can spot some of our forest's residents!

The biodiversity of our coastal forest

**93** Plant Species

**17** Avian Species

**21** Butterfly Species

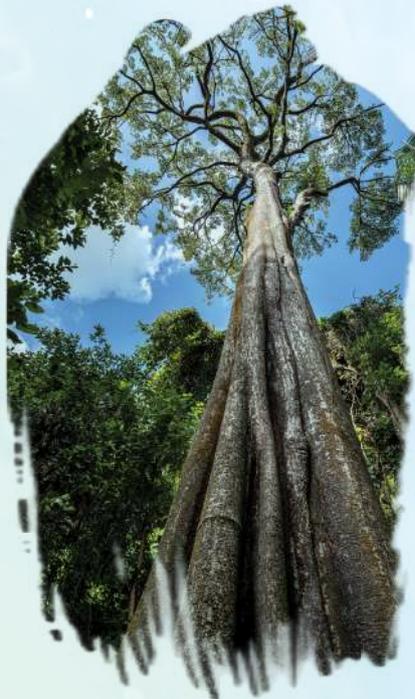

## Did You Know?

## HERITAGE TREES

Within the resort, three Heritage Trees stand as symbols of our conservation efforts.

Heritage Trees are mature trees that hold ecological, historical, and cultural significance that reflect Singapore's identity as a Green City.

 The Seashore Mangosteen (*Garcinia celebica* (*hombroiana*)) at Universal Studios Singapore

 Malayan Spindle Tree (*Bhesa robusta*) in the coastal forest

 Common Pulai (*Alstonia angustiloba*) in the coastal forest

EQUARIUS HOTEL

Our eco-pond attracts diverse wetland and coastal species and is one of six rainwater catchments across the resort. Collected rainwater is used to irrigate our landscapes.

Overall, about 50% of our water comes from alternative sources\* – reclaimed water, seawater, NEWater, and rainwater.

Can You Spot Them?

Did You Know?

HERB GARDEN

Our Equarius herb garden grows over 50 edible plants. Grown and harvested on demand for our chefs, these fresh herbs add a sustainable twist to your favorite dishes and drinks.

Spot the Herbs!

- Ulam raja**

Mango-like notes in its leaves and flowers
- Bilimbing**

A tangy little fruit with a sour punch
- Blue pea flower**

A splash of lemon changes the colour of its tea
- Wild pepper leaf**

Earthy, aromatic leaves with a subtle peppery kick

\* Alternative water sources are important as they reduce our reliance on limited potable water (drinking water) and strengthens our resilience against droughts and climate change.
