The Essence of ESPA

Imagine a spectacular, sprawling 10,000 square metre leisure environment before you, an oasis of tranquility promising nothing but rest and relaxation at every corner. That, in short, is ESPA at Resorts World Sentosa, the Asian flagship of the established spa franchise. Come indulge in natural therapies that combine the most effective traditional techniques with products sourced from all over the world, as you immerse in pure pleasure with every encounter. Be sure to try the wide range of luxurious treatment spa suites, immaculately designed for complete serenity. Signature facilities include Singapore's first authentic Turkish Hammam, Vitality Pools, Forest Onsen-style Pools, Rock Saunas, Crystal Steam Rooms and more, all of which will revitalise your mind and soul.
