### Royal Albatross opens to public at Resorts World Sentosa

*Luxury Tall Ship's romantic sunset sail a unique experience in Southeast Asia and the latest new addition to the premium lifestyle offerings at Resorts World Sentosa.*

**SINGAPORE, 22 September 2016** – Romantics and lovebirds rejoice! A sunset sail is now the latest new attraction at Resorts World Sentosa (RWS). A first for Southeast Asia, the two-and-a-half hour cruise around the beautiful coastlines of Singapore takes place onboard the Royal Albatross – a four-masted 22-sail luxury Tall Ship berthed along the promenade adjacent to Adventure Cove Waterpark at RWS.

Not just for couples, the sunset sail allows anyone to appreciate the beauty of Singapore's skyline at sunset from the tranquillity of its calm seas over dinner, drinks and music, capturing unforgettable memories and picturesque moments from the deck of luxury Tall Ship Royal Albatross. It is also the perfect way to unwind and recharge when night falls, complementing a day of fun and entertainment on the resort.

Sailing a relaxing route around Sentosa and the southern islands of Singapore, the cruise departs RWS at 6pm and returns at nightfall, when Singapore's stunning skyline and city lights transform the island into a stunning visual spectacle seen from the unparalleled vantage point out at sea. The ship itself fitted with over 60,000 LED night illumination will sparkle in bright lights, making it visible from miles away.

The first sunset sail launches on Friday, 14 October 2016 at 6pm and takes place subsequently every weekend on Friday, Saturday and Sunday. Guests will get to enjoy a BBQ spread and welcome drink as part of the experience.

Tickets are priced at S\$195 for adults and \$145 for children aged 12 and below. The sailing schedule and bookings are available through the Royal Albatross' website at [www.tallship.com.sg/products](http://www.tallship.com.sg/products) and also through the ticketing booths at RWS and select travel agents.

Mr Peter L. Pela, Tall Ship Adventure's owner and CEO, said: "After a year of operating as a private charter luxury tall ship, we are delighted to welcome the public onboard for this opportunity to experience our ship and a sunset like never before."

"It will be romantic and unique to Singapore – an unforgettable experience for tourists, couples and families alike," he added.

Mr Jason Horkin, Senior Vice President for Attractions at Resorts World Sentosa, said: "We are delighted to work with Tall Ship Adventure to introduce another new and exciting lifestyle experience for our guests and visitors at RWS. After a day of enjoying their favourite attractions on the resort, they can now look forward to a luxurious sea-faring jaunt at sunset and unwind onboard the Royal Albatross, returning to the resort in the evening refreshed and recharged for more fun and entertainment. As a premium destination resort, we strive to deliver diverse memorable experiences for our audiences which include Michelin fine-dining, destination spa and posh hotel getaways."

The first of several new sailing experiences to be introduced for the public, visitors to RWS can also look forward to a sunrise sail, a floating restaurant bar at night, and a family-oriented pirate adventure sail.

The Royal Albatross is proud to be a partner of The Singapore Rendezvous and looks forward to being a showcase at the first regional luxury lifestyle event.

### **ABOUT ROYAL ALBATROSS**

The Royal Albatross started her life in Chicago cruising the Great Lakes, prior to the beginning of an epic journey that took over her 15,000 kilometres from the moderate climates of North America to the tropical waters of South East Asia. Approximately 360,000 man hours have been invested redesigning and refitting Royal Albatross resulting in a sailing ship of unmatched quality and splendour. This is a ship designed to entertain and impress with 22 sails, over 650 square meters of canvas and over 60,000 RGB lights to set Royal Albatross's mood for whatever the occasion requires.

The ship was previously featured as Bruce Wayne's private yacht in The Dark Knight starring Christian Bale and the late Heath Ledger. Her sails and rigging were designed by master rigger Jim Barry, the person behind the ships featured in the Master and Commander and Pirates of the Caribbean movies.
