RESORTS WORLD™ SENTOSA
GLOW WITH GOOD HEALTH
THIS MID-AUTUMN
18 AUG - 01 OCT 2020
For the festival believed to herald the year’s brightest moon: delights that shine with goodness.

Wish loved ones the best of health with specially curated nutritious or guilt-free mooncakes.

Pick from premium snow-skin creations made using health-giving ingredients, the result of a collaboration between two acclaimed master chefs. Or, choose from baked treats that take inspiration from tradition, but surprise modern palates with healthy ideas like low-sugar fillings.

These deluxe desserts are great as gifts, and even better when savoured.
Feng Shui Inn’s Head Chef Li Kwok Kwong and Resorts World Sentosa’s Executive Pastry Chef Kenny Kong collaborate to create limited-edition snow-skin mooncakes for discerning palates, using 100% natural ingredients and Chinese herbs.

- **Rose Lingzhi Spores with Longan**
  Coloured by rose petals and scented by raspberry powder, the pretty pink skin delights with its pleasing looks and subtle fragrance. Bite into it to relish the aroma of lotus seed paste with prized Lingzhi spores, longan honey and dried longans.

- **Purple Sweet Potato with Manuka Honey**
  Concealed within the almost-glowing skin full of the flavours of soothing Manuka honey - a luxurious, 100% natural purple filling made using antioxidant-rich sweet potatoes that is full of complex floral and fruity aromas.

- **Matcha with Tangerine Peel**
  Bite into the meltingly-soft Matcha skin sweetened with stevia for guilt-free indulgence. Then taste the delightful balance of the sweet paste made using antioxidant-rich Matcha and savoury cream made with 15-year tangerine peel.
